RECITALS

A. The City and Employee entered into the City Manager Employment Agreement on May 14, 2013, and amended it on September 9, 2014 (the Agreement).

B. On September 22, 2015, the City Council conducted a performance evaluation of Employee and is satisfied with the high quality of services provided to date.

C. It is a goal of the City to continue to recruit and retain highly qualified and competent City employees.

D. Effective July 1, 2015, Employee was required to increase his PERS contribution from 4% to 6% pursuant to the Agreement.

E. The City and Employee desire to increase the contribution provided by Employee under the Agreement by 1% in order eliminate any additional or future responsibility or reimbursement on behalf of the City to off-set Employee's portion of the PERS contribution.

F. The City also desires to increase Employee's annual salary by 4.5% (\$9180) and extend the term of the Agreement.

NOW, THEREFORE, the City and Employee agree to this Amendment No. 2 to the Agreement as follows:

1. **Paragraph 2 of the Agreement is amended as follows:**

At any time as desired by the City Council, but at least annually, City agrees to review Employee's performance and/or to establish specific goals for Employee. If Employee receives a satisfactory evaluation one year after the effective date of this Amendment No. 2 (or as soon thereafter as the City Council convenes a performance evaluation), Employee's salary may be increased and his compensation may be otherwise reviewed. Any salary increase during the term of this Agreement shall be by amendment to this Agreement.
