

**PALOS VERDES DRIVE WEST
ADDISON ROAD and
YARMOUTH ROAD
STREET IMPROVEMENTS
STARTS MONDAY MAY 4, 2020**

Each year the City of Palos Verdes Estates routinely performs street construction and maintenance in order to rehabilitate and seal the existing roadway pavement.

This project is an overlay treatment consisting of removing and replacing deteriorated asphalt, edge grinding, and overlaying the surface with new asphalt. The purpose of this work is to prevent any further deterioration of the roadway and restore the road to its original condition. In addition, pavement areas that are showing signs of distress indicating a need to remove and replace localized areas to assure the long term viability of the roadway is included.

The proposed project limits are:

Palos Verdes Drive West

- Northbound from Paseo Lunado to Via Coronel
- Southbound from Avenida Mirola to Paseo Del Mar
- North of Paseo Del Mar to remove old centerline striping

Addison Road

- Cloyden Road to Chelsea Road

Yarmouth Road

- Rocky Pont Road to Paseo Del Mar

The construction contract duration will be forty-five (45) working days. During construction, schedule, impacts, detours and other important information will be shared by way of the City's website and Nixle updates as warranted. Residents and business owners will be notified directly on a case by case basis if access to their property will be restricted.

The work on Palos Verdes Drive West will be funded utilizing Proposition C (restricted funds). Proposition C funds are allocated to a variety of capital and operating projects and programs that improve transit service and operations, reduce traffic congestion, improve air quality, and efficiently operate and improve the condition of streets and freeways utilized by transit.

Prop C was approved by Los Angeles County voters in November 1990 with revenues generated by a half-cent sales tax.

To Whom It May Concern:

The City of Palos Verdes Estates has awarded a contract to Hardy and Harper, Inc. for the Palos Verdes Drive West Street Improvements. The construction shall include the removal & replacement of existing asphalt.

The project is scheduled to begin on **May 4, 2020** and will take place over a period of approximately **5** weeks. Daily working hours shall be between the hours of 7:00 A.M. and 4:00 P.M. Monday through Friday, except legal holidays.

Hardy and Harper, Inc. will make every effort to keep driveways to all residences and businesses open at all times, but there may be a time when the driveway may be temporarily inaccessible. We will try to minimize any inconvenience to you. Emergency vehicles and all other services will have access throughout the duration of the Project.

There will be "No Parking" signs posted 48 hours before the project begins indicating the specific dates and times work will be performed in that area. During construction, access to through traffic may be delayed and we ask the following:

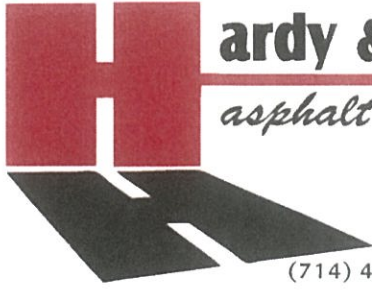

1. Please do not park your vehicles on the roadway
2. Please do not allow water to run on the roadway
3. Trash pickup will not be disrupted, but please do not place trash cans or other debris in the roadway.
(Except on the designated trash day)

We appreciate your patience and cooperation during the construction of the improvements to help the project run as smooth as possible. If you have any questions, please try contacting the individuals in the listed order below. Thank you!
