

GAZEBO EVENT GUIDELINES (120 DAY-PILOT PROGRAM)

Gazebo events that concern the City are those that may impact City streets and services, public safety, citizen welfare, or disrupt traffic and community activities. The City, therefore, imposes specific conditions upon the sponsors of such events. Call the City offices for more information:

All event sponsors are required to meet the following conditions:

1. The sponsor of the proposed event must file a completed application with the City. The application contains a sign-off sheet; the approval of LA County Fire Prevention must be obtained. **City staff will circulate the application to the remaining staff. Additional conditions may be stipulated by the department heads.**
2. A gazebo event **application fee of \$176.00 or \$352.00** is payable to the City at the time of the application, the price of the application fee is at the discretion of the City Manager and/or City Staff. A separate **\$75.00 clean-up deposit** is required that is usually refunded at the City Manager's discretion after the event, if all cleanup and other conditions have been met. Where City property is involved, a higher deposit may be required at the discretion of the City Manager and/or City Staff. The difference in fees is based on assessment of the size of party, and traffic.
3. The City requires a certificate of insurance in a minimum of two million dollars per event. At their discretion, the Risk Manager may require Special Event Liability insurance up to five million combined single limit. The certificate shall name the City of Palos Verdes Estates, its officers, employees and agents, as additional insured in order to protect the City from event-incurred risks. A certificate of Insurance as defined above must be received by the City with the completed application.
