AND PROPOSITION 84 ON THE NOVEMBER 2006 BALLOT**

WHEREAS, the California State Legislature passed a \$37.3 billion package of fiscal and bond measures to provide funding for housing, transportation, levee repairs and flood control projects and education facilities in May 2006, and an additional bond measure to raise funds for clean water, parks and coastal protection has been placed on the ballot through the initiative process by a coalition of business, public health, local government and environmental organizations; and

WHEREAS, these measures have been titled Propositions 1A, 1B, 1C, 1D, 1E and 84 by the Secretary of State and will be placed on the November 2006 ballot for voter approval; and

WHEREAS, the South Bay Cities Council of Governments and the League of California Cities is in strong support of the entire package of infrastructure bond measures - Propositions 1A – 1E and 84, and views these measures as providing critically needed resources for California cities,
