Dear Improved Property Owner:

Each year the City of Palos Verdes Estates and the County of Los Angeles Fire Department join in notifying property owners of potential problems with weeds, brush, and other vegetation on their properties. This notice is being sent to all owners of developed properties located in high fire hazard areas in an effort to educate property owners of the dangers involved with overgrown landscaping as well as open space, park, or wildland overgrowth.

Within the city limits of Palos Verdes Estates, many acres of parkland as well as numerous trees create the potential for large fires. Large fires, like the fire that threatened the Palos Verdes Peninsula during August 2009, could lead to the loss of many homes and even the loss of life. Landscaping that is adequately maintained could play a significant role in preventing these types of tragedies.

Property owners should read the enclosed information. All trimming, thinning, or general clean up of hazardous vegetation on your property should be completed prior to Fire Department annual brush inspections beginning June 1, 2015. All properties will be inspected as noted on the enclosed "Improved Property Annual Brush Clearance Notice". Any property owner who fails to comply with the findings of the inspection shall be subject to the penalties detailed in the Los Angeles County Fire Code.

In addition, failure to comply could result in higher insurance rates and/or a loss of State and Federal aid if a fire did occur. Fires are a historical fact of life on the Peninsula; however, with your cooperation the threat of fire can be reduced. So please join in this effort to ensure your community is fire safe.

The City of Palos Verdes Estates passed a resolution declaring public nuisances on February 10, 2015. Property owners having objections to their parcels being included as part of the public nuisance resolution are advised that they may comment at a public hearing during the City Council Meeting of February 24, 2015, at 7:30 p.m. when all objections will be given due consideration.
