COUNTY OF LOS ANGELES FIRE DEPARTMENT

**PREVENTION BUREAU
BRUSH CLEARANCE UNIT
605 N. ANGELENO AVENUE
AZUSA, CA 91702-2904
(626) 969-2375**

Dear Improved Property Owner:

This is not a citation or summons. This is the first notice of inspection and a reminder that the County of Los Angeles Fire Department will be conducting annual brush clearance inspections within the next few months, or fuel modification inspections throughout the year.

The County Fire Code states that parcel owners are responsible throughout the year for the maintenance of all brush, flammable vegetation (native and/or ornamental), other combustible materials situated on their property, and for compliance with any applicable fuel modification plan.

General clearing requirements are listed on the reverse side of this notice. Please review these clearing requirements and take appropriate action prior to the annual inspection date for your area. Abatement of potential or existing hazards prior to the inspection saves the Fire Department and yourself valuable money and time and insures a safer community.

Brush Clearance inspections are scheduled to begin April 1 in the Antelope Valley, June 1 in the Coastal Area, and May 1 in all other areas. If hazardous fire conditions exist on your property at the time of inspection, you will be issued an Official Inspection Report which will indicate existing violations and provide specific clearing instructions and a compliance deadline.

Failure to comply with the Official Inspection Report issued at the time of the inspection will result in the imposition of a \$500 administrative fine. An additional \$805 direct assessment will be added to your annual tax bill as item CO FIRE ABMT ENF to recover the County of Los Angeles Fire Department costs related to the enforcement of the Fire Code. Additionally, if your parcel is inspected or cleared by the Agricultural Commissioner, an inspection fee of \$38.44 and the clearing costs will be placed on your annual tax bill as item LA CO HAZ ABATE.

In most cases, it is more cost effective to do the work yourself or to hire a vendor to do the work. A vendor list is available at your local jurisdictional fire station.

For additional information regarding specific clearing requirements, contact your local jurisdictional fire station or the Brush Clearance Unit at (626) 969-2375.

In addition, the Board of Supervisors authorized and directed the County of Los Angeles Fire Department and the Agricultural Commissioner to recover their costs related to the enforcement of the fire code. All properly owners having objection to the removal of brush, dry grass, weeds, combustible growth or flammable vegetation including natives and ornamentals are hereby notified that they may attend a brush clearance referee hearing (1) in the Antelope Valley at the LOS ANGELES COUNTY ADMINISTRATIVE BLDG., 335 A EAST AVE.
